

April 2024 Newsletter

As we embrace the arrival of Spring, let's also embrace a commitment to safety within our community. We are excited to announce an invaluable opportunity that could potentially save lives – our upcoming CPR Class!

In collaboration with the certified instructors from WAVES Ambulance, we are offering a CPR training session designed to equip you with the knowledge and skills needed to respond effectively in emergency situations. Whether you are a business owner, employee or a concerned community member, this class is for you.

Here are the details:

Date: April 16, 2024

Time: 6:00PM – 9:00PM

Location: WAVES Ambulance, 202 Bennett Road, Camillus, NY 13031

Cost: \$18.50 per person

Payment is required at the time of registration. Please note that WAVES is providing the training for us at no cost, the fee covers the cost of the CPR Certification Card that WAVES is responsible for.

By investing just a few hours of your time, you could make a profound difference when it matters most. Whether it's in the workplace, at home,

or in public spaces, your ability to administer CPR could be the crucial link in the chain of survival.

Don't miss out on this opportunity to enhance your skills and contribute to a safer, more prepared community. Spaces are limited, so be sure to reserve your spot today!

Together, let's empower each other to be champions of safety.

April is a great time to visit this month's Business of the Month! Sollecito Landscaping has a wide variety of plants & flowers to spruce up the exterior of your home & business.

Our April Business of the Month is...

Sollecito Landscaping Nursery LLC

Residential Landscaping, design & installation, and Retail Nursery.

Easy, sustainable landscape plantings at your home.

If you don't know how to begin, start by contacting them. They started their business 50 years ago with the goal for homeowners to have fun with their landscapes.

Their natural, plant-based installations and organic controls mean lower maintenance and fewer, if any, pesticides.

As you stroll their extensive, ever-changing display gardens, you'll see exactly how their plants grow and mature. Visit often, because they get frequent fresh deliveries from dedicated growers.
